### **Body Protector / #AND-BP873**

sizes: ONE

Ideal for working on body shots and lower body techniques, Fully adjustable, no tangle straps with quick release buckles, Protection for chest, ribs and torso, Precision density and mobility stabilization, Size: One Size Fits Most.

### **Body Protector / #AND-BP874**

sizes: ONE

The Gel Super Body Protector is a lightweight, heavy duty and extremely protective training body protector. Heavy duty construction engineered with compact padding materials, The Gel Chest Guard Protector provides ample body protection for the world's top coaches to absorb fast, forceful punches and kicks from athletes of all levels and disciplines., Moisture-wicking interior lining that keeps you comfortable, 2 prong closure of a reverse d-ring and hook and loop for a secure fit.

**Thai Pads / #AND-TP 991****sizes: 15" X 7.5" X 5"**

1100% cowhide leather construction so you know it has an authentic feel and it's going to last you a long time, Extra back-side padding provides added protection and comfort for your forearms, Ergonomic shape with tapered bottom easily fits the shape of your arm, Ultra-Lock™ hook and loop closure allows for a firm hold with easy on-and-off.

**Thai Pads / #AND-TP 992****sizes: 14" X 9" X 6"**

100% cowhide leather so you know it's going to last you a long time. unique contoured design provides more of a target, Upper handle padded and sculpted for comfort and secure grip.

**Thai Pads / #AND-TP 993****sizes: 12.5" X 6.5" 2.1 LB**

100% cowhide leather construction so you know it has an authentic feel and it's going to last you a long time, The smaller size and lighter weight are also ideal for kids and teen Muay Thai classes, 12.5" x 5" x 6.5" Weight: 2.1 lb.

### **Thai Pads / #AND-TP 994**

**sizes: 15" X 5" X 7"**

Anatomical shaping allows for trainer comfort and secure fit, Thick, sturdy handle gives the holder a comfortable, solid grip, Contoured striking surface creates a great "sweet spot" for heavy kicks, Additional foam wedge located just above elbow removes negative space to keep pad flush on the arm at all times.

### **Gel Padded Thai Style Thigh pads**

**sizes: ONE**

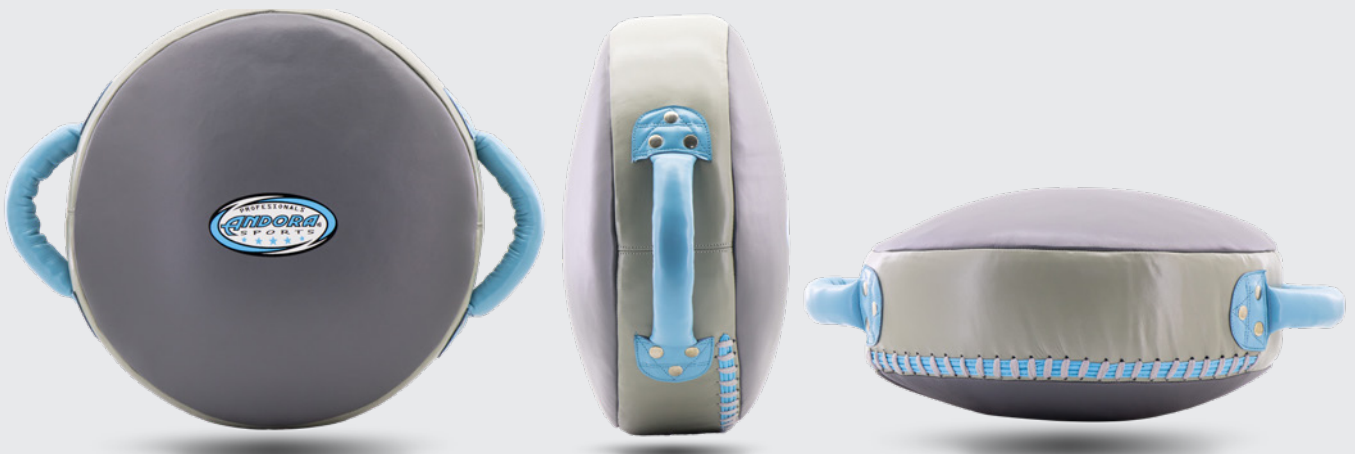

These pads have been constructed with four full inches of contoured GEL-infused foam that provides the highest level of protection for coaches. They have been designed to be the perfect anatomical shape to allow full mobility for the trainer. Convenient hook and loop closure around the waist with reinforced stitching.

### **Punch Shield / #AND-PS881**

**sizes: 12" 14" 16"**

Exclusive dual sided target one side is fully padded for regular punch shield training, while the opposite side has Zero Impact center target zone, Ultra-light weight shield – less than 36 oz. – is constructed of thick cut, heavy-duty cowhide leather for professional results and extra-long life, Full 5" of shock dispersing foams on one side for an intense twin option training session stabilization.

### **Punch Shield / #AND-PS882**

**sizes: 16"**

Unique innovation creates an internal air pocket to absorb punches better and last longer than a standard punch shield, A multi-layered foam combination and a strategically- placed pocket "collapses" when hit and rebounds for the next blow. Large 15"x8" target reduces shock, but is still lightweight enough to move quickly from combination to combination, Built with triple riveted handles for durability.

### **Punch Shield / #AND-PS883**

**sizes: 12" 14" 16"**

Designed with two different style sides to diversify training, Constructed with a durable 100% genuine leather cover. Compact and lightweight, Firm yet comfortable hitting surface.

**Boxing Paddles / #AND-BP 01**

sizes: ONE

Cowhide Leather construction. Compact design is ideal for speed, working defense and combination punching. Each paddle measures 16.3" high x 7.5" wide x 1.36" thick.

The compact striking sticks, perfect for working both offense and defense. Soft endcap for added safety from poking and punching back. Durable synthetic leather construction with additional "grip loop" on the end. Slender 18" x 1.5" (5" circumference) size allows you to quickly flow through punch combination.

**Striking Sticks / #AND-SS 01**

sizes: ONE
